First Year Undergraduate Admissions

Under National Education Policy (NEP - 2020)

Effective from Academic Year 2024-25

'Educating the mind without Educating the heart, is no Education at all'
- Aristotle

- ✓ **Skill Enhancement Course (SEC):** Courses which are aimed at imparting practical skills, nurturing soft skills etc., to enhance the employability of students.
- ✓ **Ability Enhancement Course (AEC):** Courses which are aimed at enabling the students to acquire & demonstrate the core linguistic skills, achieve competency in Modern Indian Language (such as Marathi/Hindi among others) and in English Language.
- ✓ **Value Education Course (VEC):** Courses which are based upon the content that leads to knowledge enhancement through various areas of study such as Understanding India, Constitution of India, Environment studies, Sustainable Development.
- ✓ **Indian Knowledge System (IKS):** Courses which will make students aware of the vast repositories of ancient traditional knowledge in India in fields such as Literature, Culture, Indian traditional systems of medicine, Astronomy, Yoga, Arthashastra, etc.
- ✓ **Co-Curricular Courses (CC):** Courses which will provide student's a sense of identity & belonging, as well as appreciation of other cultures & identities; example: courses such as National Cadet Corps (NCC), National Service Scheme (NSS), Yoga education, Health & Wellness, Sports, Cultural activities, Fine/Applied/Visual/Performing Arts.
- ✓ **Field Project (FP):** Courses requiring students to participate in field-based learning or projects to study actual field situations regarding issues related to socio-economic development in rural and urban settings.
- ✓ **Internship/Apprenticeship or On Job Training (OJT):** A course requiring student's to participate in a professional activity or work experience, with an entity external to the educational institution. Internships involve working with local industry, government or private organizations, etc. to provide opportunities for students to actively engage in on-site experiential learning.
- ✓ **Community Engagement and Service (CEP):** It will involve activities that would expose students to socio-economic issues in society, so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems.

Definitions, Glossary of few terms

- ✓ **Semester:** A semester comprises 90 working days (around 15 weeks) and an academic year is divided into two consecutive semesters (1 odd + 1 even).
- ✓ **Credit:** A credit also referred to as Academic Credit, is a unit by which the course work is measured. It actually determines the number of hours of instructions required per week over the duration of a semester (around 15 weeks).
- ✓ **Award of Credit:** 1 Credit means the standard methodology of calculating one hour of theory/lecture or one hour of tutorial or two hours of laboratory/practical work per week for a duration of one semester (around 15 weeks) resulting in award of 1 credit.
- ✓ **Major subject:** It is the subject of main focus and the degree will be awarded in that subject, provided that students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major subject.
- ✓ **Minor subject:** It helps a student to gain a broader understanding beyond the major subject. For example: if a student is pursuing Physics as a major subject, and also obtains a minimum of 18-20 credits from courses in Microbiology, then, such a student will be awarded with B.Sc. Degree with Major in Physics & Minor in Microbiology.
- ✓ **Elective course:** A course which can be chosen from a pool of courses, & which can be specific or supportive to the subject of study or which enables exposure to some other subject/discipline or which nurtures student's proficiency or skill.
- ✓ **Generic Elective (GE) or Open Elective (OE):** An elective course generally chosen from an unrelated subject/discipline with the intention to seek multidisciplinary exposure.
- ✓ **Department/Subject Specific Elective (DSE):** A pool or basket of credit courses of the major subject.
- ✓ **Vocational Skill Course (VSC):** Courses which are aimed at providing hands-on training, competencies, proficiency to students to enhance skill & employability.
